CITY DEMOCRATIC COMMITTEE, ETC.—The city democratic committee met at the Market building last night, Chairman Harry Smoot presiding. Besides the members of the committee, Mr. Curtis B. Graham, chairman of the county committee, was also present. It was decided to hold ward meetings in this city on Wednesday night next at 7:30 o'clock to elect delegates to a city and county convention to be held at an early day to nominate a candidate for the legislature. The ward meetings will be held at the usual places, and the city is entitled to the following number of delegates: First ward 3, Second 3, Third 7, Fourth 4. It was decided to hold a joint meeting of the city and county committees on Wednesday evening next at 8 o'clock in the Market building, to determine the time and place for holding the convention. Notice of the time for holding the county meetings to elect delegates to the convention will be given shortly. It is the impression that Mr. Frank Hume, of the county, will be unanimously nominated for the legislature by the convention.

DEATH OF MR. GEORGE N. DUFFY.—Mr. George N. Duffy, son of Major George Duffy, commissioner of the revenue of this city, whose illness was mentioned in yesterday's *GAZETTE*, died at his home on Wilkes street, this morning, from a pulmonary complaint, from which he had been suffering for some time past. Mr. Duffy was foreman of the Columbia Fire Company, a member of Lee Camp, of several of the secret organizations of the city and of the Virginia Firemen's Association. His funeral will take place from his late residence on Monday evening at 4:30 o'clock. The Columbia Fire Company will meet to-night to make arrangements for attending the funeral.

FINED FOR GAMBLING.—A party of "sports" from this city went to Manassas yesterday expecting to beguile the "counties," who attended the monument ceremonies. They spread their cloth under the shade of a friendly tree and were engaged in the mysteries of a little game when a posse of Prince William constables swooped down upon and arrested the Alexandrians so engaged and broke up the game. They were taken before a magistrate in the town who fined those concerned in running the game and allowed them to return to this city provided they did so quietly. They got here.

THE OPERA HOUSE.—Passion's Slave, the drama to be presented here Monday night, is compounded of heroic speeches, self-sacrificing characters, lofty sentiments, very strong dramatic situations and beautiful scenic effects. The piece is admirably mounted, the ship scene, the rescue in mid-ocean, the snow storm and the old signal station, and the rescue of the hero from the sea after his escape from prison at the close of the second act being especially realistic.

LUNCHEON.—One of the most elaborate and best served lunches ever given the patrons of a saloon was that which was spread at the Eldorado House to-day by Mr. T. J. Patterson. Everything was there in the greatest abundance to tempt the appetite, and the saloon was visited all during the day by crowds of persons who heartily enjoyed the treat.

THAT HACKING COUGH can be so quickly cured by Shiloh's Cure. We guarantee it. Sold by E. S. Leadbeater & Bro.

A POLITICAL SCHEME.—It is reported that an effort is being made, and that Gen. Mahone is at the bottom of the movement, to induce Mr. Park Agnew to become the republican candidate for the legislature for this city and county. There are said to be several reasons for this move. One is that Gen. Mahone and his followers in this city want to get Mr. L. W. Corbett entirely out of the way; another is that knowing Mr. Frank Hume, who will be the democratic nominee, is a very strong man, they hope Mr. Agnew will be able to get the same vote here that he did when he ran for Congress and thus be elected. It is also said that as Mr. Agnew is now looming up as a dark horse for the postmastership his election to the legislature will get him out of the way for that position. This is all politics.

POLICE REPORT.—Last night was clear and mild with three prisoners and one lodger at the station house.

Justice May this morning disposed of the following cases:

Lucy Pye, colored, arrested by officer Simpson for an assault on Susan Thompson, was fined \$1 as was also the complainant.

David Markwood and Hattie Fautleroy, both colored, arrested by officers Grady and Howison for adultery, were fined, the former \$20 and the latter \$5.

ANOTHER CHARTER.—Judge Norton has granted a charter of incorporation to the Georgia Manganese and Mining Company.

The objects are to mine metals, clays, fossils, etc., and to manufacture and sell the same, etc. The principal office is to be in this city and the capital stock is to be not less than \$500,000, divided into 50,000 shares of \$10 each.

The officers are M. C. Butler, president; F. K. Gardner, secretary, and E. F. Riggs, treasurer, all of Washington.

CHANGE OF FIRM.—As will be seen by a notice elsewhere the firm of O'Neal & Corbett, brick manufacturers, has been dissolved.

Mr. O'Neal retiring, Messrs. F. E. Corbett and Harry Yohe have entered into a co-partnership and will hereafter conduct the business. Both these gentlemen are active, enterprising business men and their many friends wish them every success.

McMILLAN WILL NOT FIGHT.—The attempt to arrange a fight in Washington yesterday between Young and McMillan was a failure. The backers of both met, but McMillan would not agree to accept Young's challenge although it was altered in several particulars. Accompanying Young's challenge in its modified form was a forfeit of \$50.

SUIT.—Mrs. M. Brooks, wife of John Brooks, has instituted a suit in Stafford county against the R. & P. R. R. Co. for \$10,000 damages, for causing the death of said Brooks who was run over by a train of cars last spring, between Brooke Station and Aquia Creek bridge.

NO MEETING.—A meeting of the white republicans was called for last night but, owing to the insufficiency of the call and the consequent slim attendance those present, adjourned till a future date. The meeting was to have been held at the old City Hotel.

MEDICINAL.

Swift's Specific entirely cured me of a severe case of blood poison which obstinately resisted and refused to be cured for over 25 years. The regular medical remedies of mercury and potash only added fuel to the flame. I suffered during most of this long time with ulcers, blotches and sores of the most offensive character, and was for a long time practically an invalid. In less than thirty days use of S. S. S. I was all cleared up and sound and well. This has been nearly a year ago, and no sign of any return of the old enemy.
